Flag Construction

Flags

- ✦ The 6"x 9" flag is the perfect size for motorcycles.
- ✦ All flags are two-ply, with double-stitched corners and heavy duty, double-stitched binding to ensure durability and withstand highway speeds up to 85 m.p.h.
- ✦ The premium printing process resists fading.

Two Mast Lengths Available

- ✦ Largest Selection of Flags in the Industry
- ✦ Custom and One-of-a-Kind Flags Available Upon Request
- ✦ No minimum order required on customs
- ✦ Lifetime replacement when purchased with any complete mounting system
- ✦ Designed and manufactured for the motorcycle environment

Flag Saver

Flag Saver

Flag savers fit snugly within the flag sleeve and over the mast. This design allows the flag to freely rotate on the mast therefore extending the life of the flag.

Optional Chrome Bullet Topper

Standard Black Bullet Topper

Masts

- ✦ Masts available in 13.5" and 7.5" heights.
- ✦ Blended of pure nylon & Dupont® glass, the mast is flexible while remaining rigid enough to properly fly the flags.

Bullet Toppers

All masts come with a standard black bullet, chrome bullets available as an option.
