Motorcycle Flags & Kits

Touring Class Mounting System

Rumblin' Pride's Touring Class Motorcycle Flag Kits are designed to the specific needs of touring class motorcycles. With discriminating riders in mind, our flag kits mount and look like factory installed equipment while adding a touch of customization. All flag kits are highway speed rated and warranted direct from Rumblin' Pride.

- ✦ The heart of the TCM mount is the cast aluminum base designed specifically for Touring Class Bikes.
- ✦ Mounts to virtually any flat surface using 3M® VHB double-sided tape, which cures forming an acrylic bond to hold the mount in place.
- ✦ Mounting base does not touch or mar the mounting surface. By design the 3M® tape fits inside a recessed area on the bottom of the mount and is thicker than the recess, so while the tape cannot be seen, it supports the mount above the surface.
- ✦ Two mounting angles include the TCM.22 and TCM.45, available in black satin or triple chrome plated.
- ✦ The TCM.22 is designed for both vertical and horizontal installation depending upon the location chosen.
- ✦ The TCM.45 is specifically engineered for installation on hard saddlebags or extreme trunk angles.

TCM.22 mounted horizontally on the top of the tour pack

Close view of the TCM.22 mounted horizontally

TCM.45 mounted on the tour pack

TCM.22 mounted on the side of the tour pack

Close view of the TCM.45 mounted on a hard saddlebag

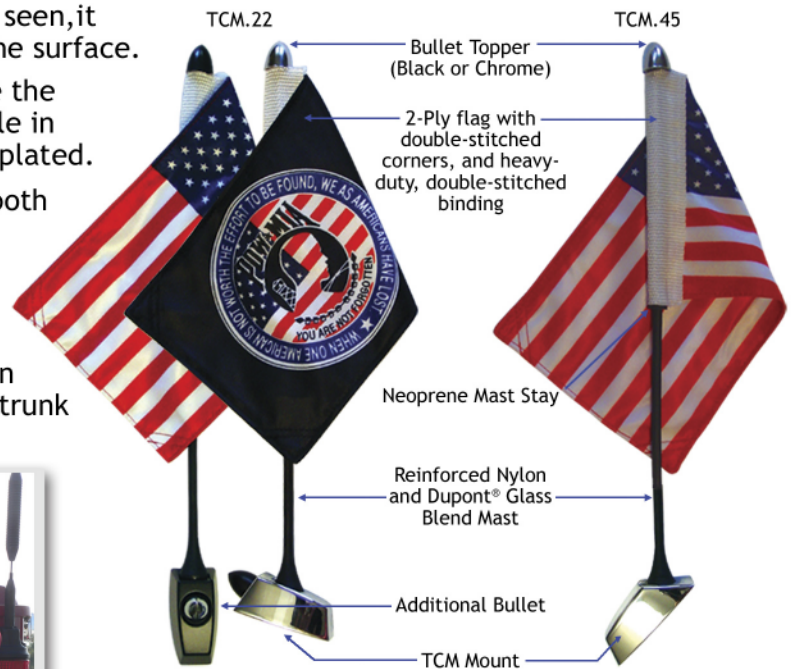

Mount the TCM.22 virtually anywhere there is a flat surface

TCM.22 Mounted Vertically on Back of the Tour Pack

TCM.45 Mounted on Hard Saddlebags

- ✦ Lifetime Flag Replacement With Purchase of the Mounting System
- ✦ Designed Specifically For Tour Class Motorcycles
- ✦ Available in Black Satin & Chrome Finishes
- ✦ Mounts to Virtually Any Flat Surface
- ✦ Does Not Mar or Damage Painted Surfaces
- ✦ Increases Motorcycle Visibility
